## Access and Equity Policy

We are committed to ensuring that we offer training opportunities to all people on an equal and fair basis.

Including women where under-represented, people with disabilities, people from non-English speaking backgrounds, Indigenous Australians, and rural and remote learners.

All participants have equal access to our training programs irrespective of their gender, culture, linguistic background, race, socio-economic background, disability, age, marital status, pregnancy, sexual orientation, or carer's responsibilities.

All participants who meet our entry requirements will be accepted into any of our training programs.

Participants who feel that they have been discriminated against can lodge a formal complaint. This process can be initiated through any staff member or can be referred to the CEO.
